

CLARIAN EDUCATION RESOURCE CENTER OFFICE FACILITY

The Clarian Education Resource Center is a 182,000 square foot, six-story building situated squarely inside Indianapolis' vibrant life science quadrant. The center includes a 30,000 square foot, high fidelity simulation center jointly operated by Clarian and the Indiana University schools of nursing and medicine. An operating room, emergency room, patient care room, intensive care unit rooms and some administrative offices of the Indiana University School of Medicine and Clarian are also housed in the center.
