

FRESH THYME FARMERS MARKET

RETAIL LOCATIONS-MULTIPLE MARKETS

Health conscious consumers are demanding more natural food options in their communities, which has prompted Fresh Thyme Farmers Market to expand their operations throughout the Midwest. In 2013, Fresh Thyme selected Lauth to serve as a “Preferred Developer” for its locations in Indiana and Kentucky. Lauth has worked as both the developer and general contractor for multiple stand-alone and in-line locations for this fast-growing Midwestern grocery chain. In 2015, Lauth was selected to build the new corporate office in Downers Grove, Illinois.

Project Description

- Rural-themed design
- Masonry or precast concrete walls with structural steel
- Large roofing skylight
- Sealed concrete interior flooring

Location
