

## JOHN FORCE RACING BUILDING 5

### OFFICE/WAREHOUSE FACILITY

John Force Racing's newest building is designed to house eight individual racing teams. Each suite features a dedicated entrance built to accommodate a 53' trailer through a 12' x 14' overhead door. Interior finishes include a 15' x 14' office space with restroom and a mezzanine for overhead storage. The building totals 25,400 square feet. Lauth has built three facilities for John Force Racing within the Eaglepoint Business Park.
