

THE CENTER AT INTECH PARK CORPORATE MEETING AND CONFERENCE CENTER

This 122,000 SF build-to-suit facility was designed as a corporate meeting and conference center for a large holding company with a global market presence. Constructed on over 50 acres within INTECH Park, the building is the first SITES® accredited facility in the state of Indiana. It is also a LEED® certified facility.

The building includes many unique amenities including a 300+ seat auditorium, an onsite secure research lab, commercial kitchen, multiple office spaces and conference rooms, a fitness center, volleyball court and 2+ miles of walking trails. Lauth provides on site property management and facilities maintenance services.
