

VIBENOMICS

OFFICE/TENANT IMPROVEMENT

Located within the four-story Braden Business Systems building, Vibenomics occupies the nearly 10,000 SF second floor. The corporate headquarters includes a combination of open/collaborative work space, conference and meeting rooms, and private offices. The main lobby opens into a bright, open coffee bar providing space for impromptu meetings. The employee kitchenette features a breakfast bar and space for recreational activity including a ping pong table. Two sound rooms provide recording space for Vibenomic's custom messaging platform.
