

DENNY BARRETT FIELDHOUSE

FIRST BAPTIST ATHLETICS RECREATIONAL SPORTS FACILITY

Located on the grounds of First Baptist Church, the modern athletic facility was built to house the court-based programs for First Baptist Athletics. The facility houses four hard court surfaces for basketball, volleyball, and pickleball, plus a large open vestibule area, office and conference room space, and a large community gathering room. The vestibule also features a concession area with walk-up window and seating space. The exterior has a large patio area that provides access to the concession area. Solar panels will be added to the rooftop. A fenced-in playground sits adjacent to the facility.
